Dear Editor TEC EMPRESARIAL

I have read and used scientific articles published in TEC EMPRESARIAL.

The performance of the TEC EMPRESARIAL was excellent, and the published article helped to conduct research and write scientific reports.

I am Asdlori. Lecturer from UIN Profesor K.H. Saifuddin Zuhri Purwokerto, Indonesia

I have completed a scientific article entitled "***The Ikhwan As-Shafa's Educational Thought and Its Relevance to Contemporary Education in Indonesia.***"

I hope this article can be published in the TEC EMPRESARIAL because exciting findings in the scientific report can become new treasures in science, especially in education sciences.

We are willing to go through the review process following TEC EMPRESARIAL standards.

Best Regards,

Asdlori

UIN Profesor K.H. Saifuddin Zuhri Purwokerto, Indonesia

Dear
Asdlori
UIN Profesor K.H. Saifuddin Zuhri Purwokerto, Indonesia

Thank you for submitting your manuscript to TEC EMPRESARIAL.

We have completed our evaluation, and the reviewers recommend reconsidering your manuscript following minor revisions. Please resubmit your revised manuscript by October 3rd, 2022, or ask whether an alternate date would be acceptable. We invite you to send it back after addressing the comments below.

When revising your manuscript, consider carefully all issues mentioned in the reviewers' comments: outline every change made in response to their comments and provide suitable explanations for any remarks not addressed. Please also note that the revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author(s) at this email, and navigate to the "Revision" folder. TEC EMPRESARIAL values your contribution, and I look forward to receiving your revised manuscript.

Editor and Reviewer comments:

Reviewer #1:

1. Title: The title could be more concise and specific. Consider rephrasing it to reflect the main focus of the article and its contribution to contemporary education in Indonesia.
2. The abstract provides a good overview of the Ikhwan As-Shafa's educational thought, but it could benefit from clearer organization and structure. Consider dividing it into separate paragraphs to enhance readability.
3. It would be helpful to include a brief explanation of the key concepts or principles of the Ikhwan As-Shafa's educational thought that make it relevant in the modern era.
4. The keywords are relevant, but it would be beneficial to include additional keywords that specifically highlight the aspects of Ikhwan As-Shafa's educational thought and its relevance to contemporary education.
5. Pay attention to grammar and sentence structure throughout the article. Some sentences could be rephrased for clarity and to improve the flow of ideas.
6. Ensure consistency in terminology and use of academic language. Define any technical terms or concepts related to Ikhwan As-Shafa's educational thought to assist readers who may not be familiar with it.
7. Consider providing a clear scope or outline of the specific aspects of Ikhwan As-Shafa's educational thought that will be discussed in the article. This will help readers understand what to expect from the content.

I hope you can make improvements as soon as possible and send the revised article again via this email.

Dear

Asdlori

UIN Profesor K.H. Saifuddin Zuhri Purwokerto, Indonesia

Thank you for your efforts to improve your article.

Based on the Reviewers' considerations, the article has, at some point, increased. However, you have to improve on a few more points. Hopefully, you are willing to do it.

Please follow the following revision instructions:

#Reviewer 2:

1. Provide a clear statement of the research objectives or questions that the article aims to address. This will help readers understand the specific focus of the study and its contribution to the field of education in Indonesia.
2. Consider stating the significance or potential implications of studying the Ikhwan As-Shafa's educational thought for contemporary education in Indonesia. This will help readers understand the relevance and practical applications of the research.
3. Provide a detailed description of the methodology used to study the Ikhwan As-Shafa's educational thought. Include information on data sources, research methods, and any limitations or challenges encountered during the study.
4. Consider discussing the rationale behind the chosen methodology and how it aligns with the research objectives. This will enhance the credibility and rigor of the study.
5. Elaborate on the specific aspects of the Ikhwan As-Shafa's educational thought that were analyzed and evaluated in the study. Provide a clear explanation of the criteria or framework used for analysis.
6. Present the findings in a structured manner, highlighting the key insights or patterns observed in the Ikhwan As-Shafa's educational thought. Use examples or evidence from their works to support the findings.
7. Consider discussing how the Ikhwan As-Shafa's educational thought compares to other educational philosophies or theories. This comparative analysis will provide a broader context for understanding its uniqueness and relevance.
8. Highlight the potential contributions or implications of the Ikhwan As-Shafa's educational thought for contemporary educational practices in Indonesia. Discuss how it can inform curriculum development, teaching methods, or educational policies.

9. Summarize the main findings and conclusions drawn from the study. Emphasize the practical implications and significance of the research for educators, policymakers, or researchers in the field of education.
10. Provide recommendations for future research or areas that require further investigation. Suggest ways in which the findings can be practically applied or tested in educational settings.

Articles that have been revised and please send them back via this email.
